

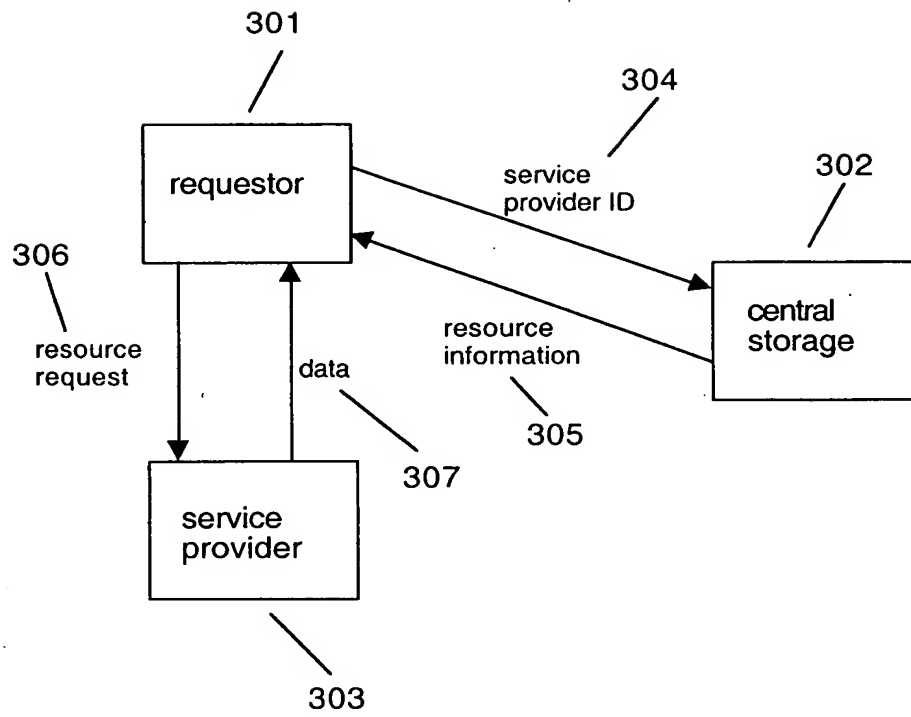

Fig. 1

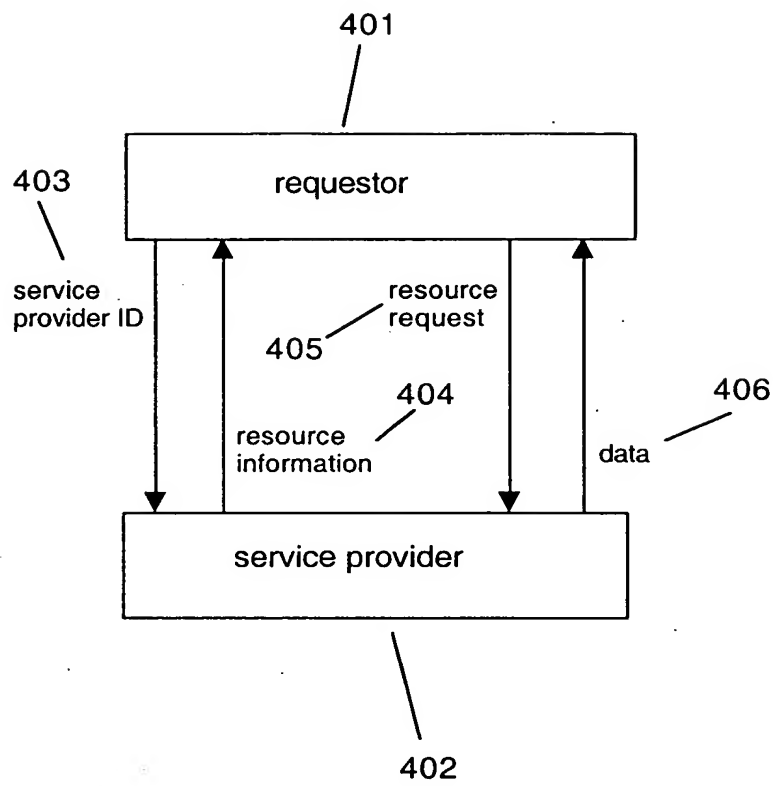

The diagram shows a table with five columns and six rows. The first row is a header row. The second row contains the labels 'URI', 'resource URL', 'description', 'status', and an empty cell. The remaining four rows are empty. A bracket below the table is labeled 206. Arrows point from labels 201, 202, 203, 204, and 205 to specific parts of the table: 201 points to the first cell of the first row, 202 points to the 'URI' label, 203 points to the 'resource URL' label, 204 points to the 'description' label, and 205 points to the 'Metadata' label in the first row.

			Metadata	
URI	resource URL	description	status	

206
